Thunderstorms developed in the afternoon hours along and south of a frontal boundary near the Red River. Weak disturbances in northwest flow aloft likely aided in lift for storm development. The strongest storms produced hail up to the size of golfballs.

Golfball size hail fell in the town of Frankston.

(TX-Z158) BELL, (TX-Z160) FALLS, (TX-Z161) LIMESTONE, (TX-Z162) LEON, (TX-Z174) MILAM, (TX-Z175) ROBERTSON

08/01/09 00:00 CST 0 Drought

08/31/09 23:59 CST 87K

Drought conditions continued to worsen across Milam, Falls, and Bell County and remained stagnant across Robertson, Leon, and Limestone County. Topsoil moisture was very short and supplemental feeding costs increased significantly with hay nearly double the price from a year ago. There were 18 counties with burn bans in effect at the end of the month.
